## TACK-TRACKER:

**Note:**

This event will be using & scoring with **Tack Tracker** program & GPS Data logger Tracking devices.

Time checks will be calculated using unidentified gates, not traditional landmarks along the course route.

Penalties apply for missing the start gate (100 Points), missing course gates (50 Points), total maximum gate penalty is capped at 300 points.

One Tack Tracker data logger will be issued to each vessel.

**It will be the responsibility of the skipper of each vessel to return the data logger in the same condition it was received,** on the same day as the intended race is scheduled.

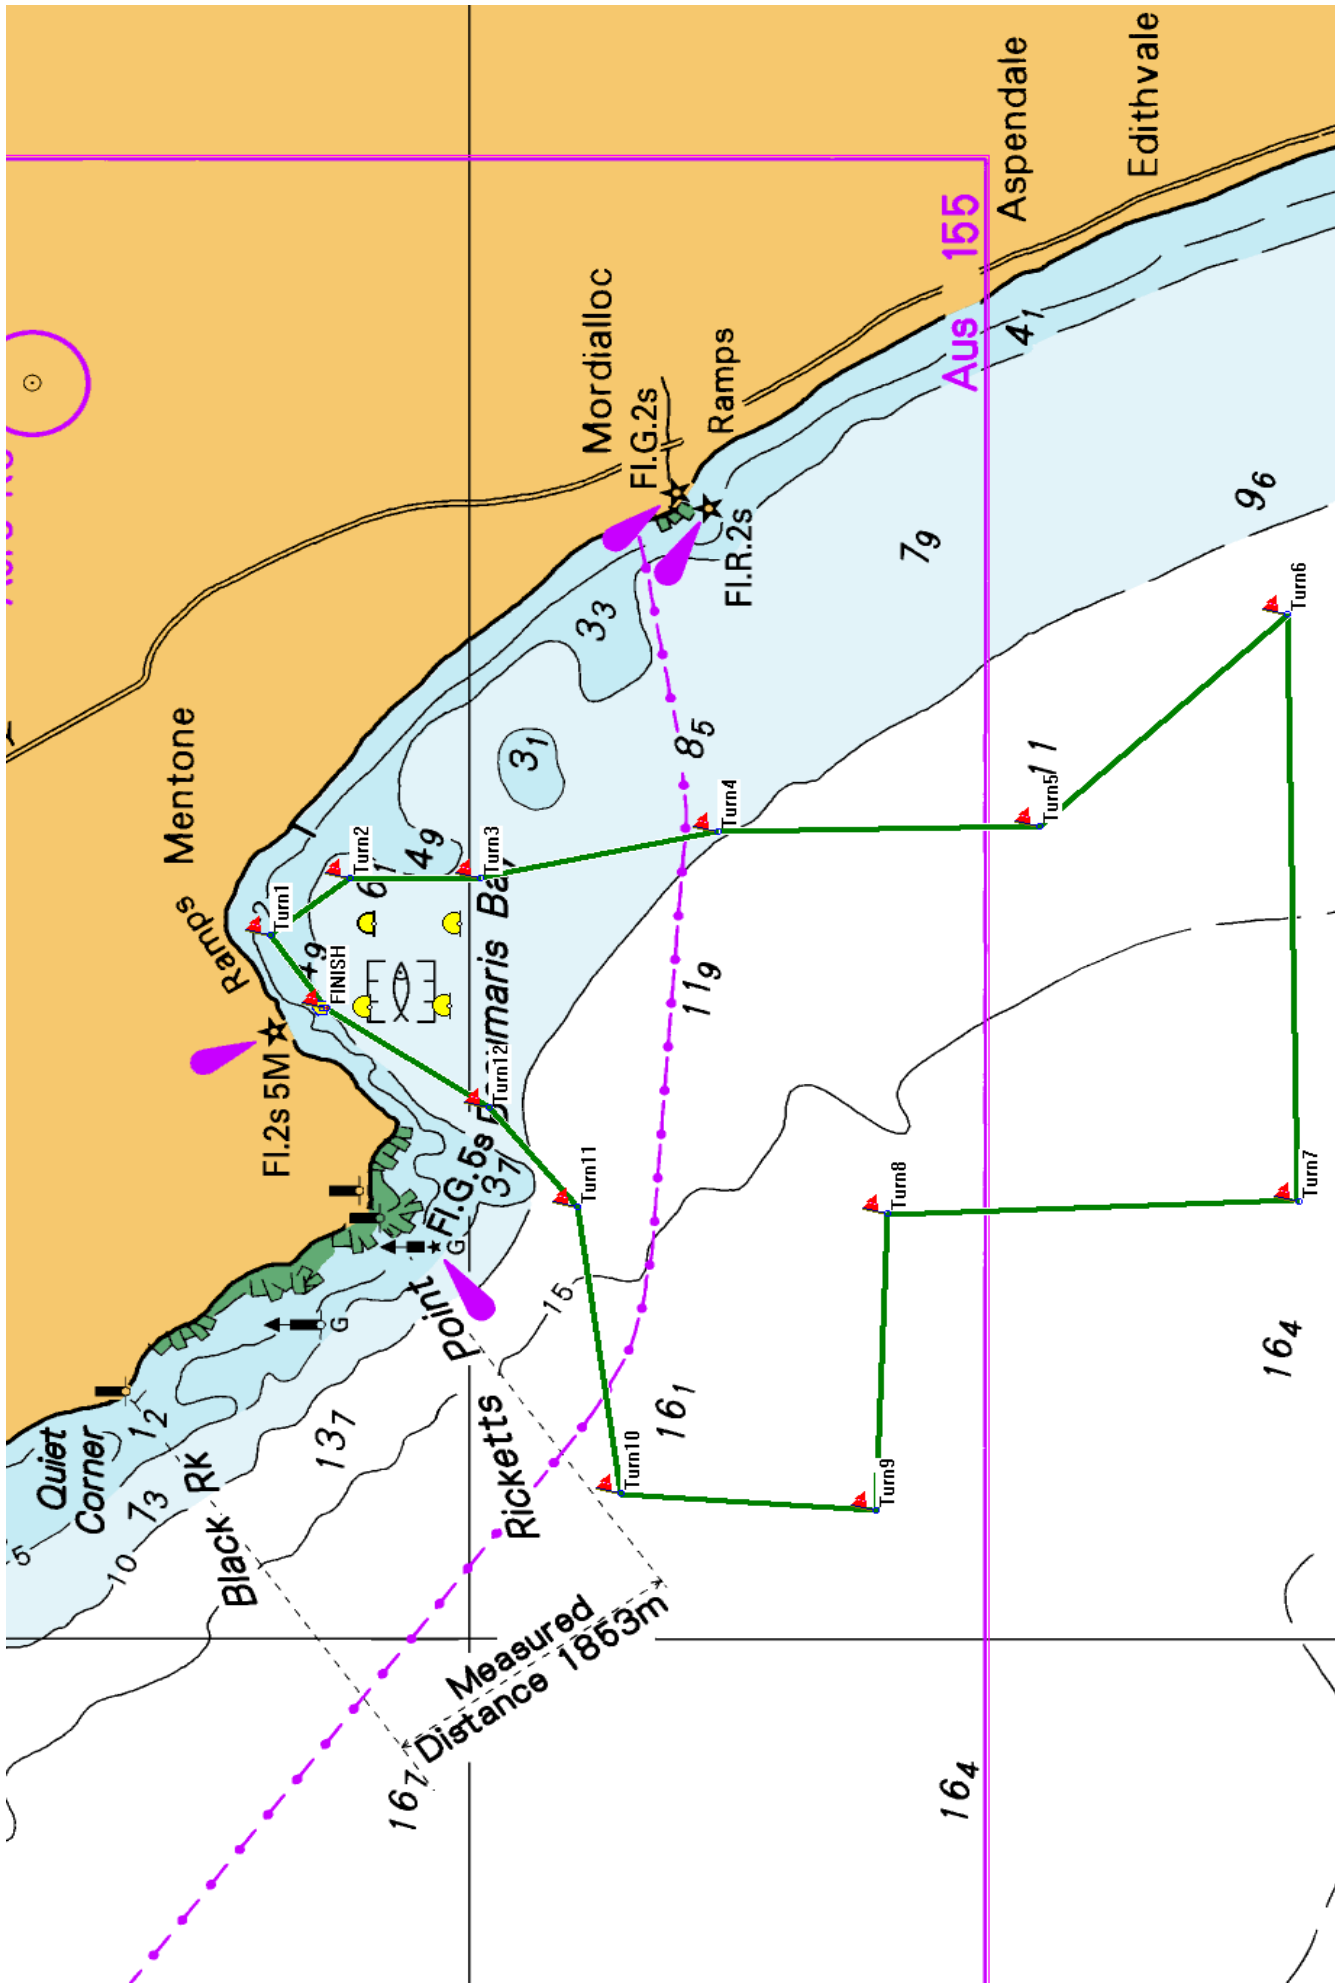

Tack Tracker Data loggers will be available from the club office on the same day as the event from 8.30 am.

Arrangements will be made on race day to get data loggers to visiting boats arriving to the club on water.

Each Data logger issued will be in a “ready for rally” condition, requiring no setup or adjustment from entrants. In the unlikely event of a data logger failing to capture rally data for any reason, BMYS will not be held responsible for that vessels results.

Each data logger **must be located at the helm.**
