## YARD RULES

- Every Contractor must **sign the Log Book** at the Club Office **each time** they come into the Club Yard, and must have a **current and appropriate** Certificate of Insurance with **Public Liability** coverage of **at least \$10Million**.
- Every Contractor working in the Club Yard must provide **evidence of Workers Compensation Cover** for all its Employees working in the Club Yard.
- **Owners must provide a copy of these yard rules to all contractors working on their boat.**
- **Sand or grit blasting of any nature is strictly forbidden in the Club Yard.** Some improved methods of sanding, such as vacuum sanding, may be permitted but must have prior approval in writing from the Committee.
- **Use of mechanical grinders or spray painting is not permitted** unless the work area is fully screened. **Spray painting requires specific approval in writing of the Committee.** Correction or repair of any damage to Club or other Members' property resulting from overspray or grinding particles will be the responsibility of the Boat Owner.
- **The dumping into yard drains of contaminates** of any nature such as paint chips, paint waste, oil, etc **is strictly forbidden.**
- **All rubbish and other waste** resulting from work in the Club Yard is to be swept up daily from the area around and under work area by the Boat Owner or his representative.
- **Rubbish bins** provided to each owner whose boat is in the Club Yard must be emptied into the Dumpmaster by the Boat Owner or his representative. The yard area occupied by the boat is to be left in a clean and tidy condition after the boat is removed from the Club Yard.
- **The gates between Savages Wharf and RYMYC are to remain shut at all times** unless their opening is required temporarily for yard operations such as traversing boats.
- **Boat stands supporting boats must not under any circumstances be moved or altered except by Savages Wharf staff.**
- **Non compliance with any of the above Yard Rules**, may result in the Committee exercising its authority under the Club's Constitution Rule 38 ("Yards, Slipways, and Marinas") and By-Laws 22 – 28 ("Club Yard").

**I have read and understand, and agree to abide by, the above Yard Rules, Club Constitution Rule 38, and Club By-Laws 22, 23, 24, 25, 26, 27, and 28.**
